Allianz

Allianz Auto

Allianz Auto is designed to fulfil all possible coverage requirements demanded by the market. At Allianz Seguros we have introduced great improvements to our products and we offer a product that is tailor-made to meet the needs of each individual client and which includes all the standard extras.

Advantages of the Rating System.

- Personalised fee depending on the client's profile (age, years holding a licence, etc.).
- Differentiated application according to the kilometres on the vehicle.
- Special treatment for new vehicles.
- Discounts when you use a garage, for having other policies with Allianz, for ESC (Stability Control)...
- Application of bonuses previously enjoyed by foreign clients with other companies.
- Special treatment for young people in the portfolio.

"At Allianz Auto we offer tailor-made insurance which includes all the standard extras."
