Allianz Embarcaciones.

Allianz Embarcaciones is an innovative product. It is designed to give tailor-made and flexible solutions to the most varied and demanding requirements of recreational boat owners and users, in relation to their own vessel, third parties and the people boarding their vessel.

Allianz Embarcaciones offers three policy types, with an extremely wide range of coverage and services for all types of pleasure craft (sailboats, motorised yachts, rubber and semi-rigid dinghies, jet skis, etc.).

The contract options, insured risks, insured sums, deductible options and other characteristics endow this product with great flexibility. It is a tailor-made policy that can be adapted to the most demanding coverage requirements and to any pleasure craft.

Allianz Embarcaciones offers you three different policy types and up to 15 optional contract guarantees.

Policy types.

Allianz Embarcaciones offers three different policy types:

- **Basic** policy.
- **Premier** policy.
- **Plus** policy.

The **Basic** Mode includes the minimum coverage required for all sea crafts in order to comply with the current legislation.

The **Premier** and **Plus** varieties include the coverage contained in the **Basic** policy, in addition to a wide variety of other benefits that can be freely contracted, related to civil liability, damages, assistance, accidents, etc.

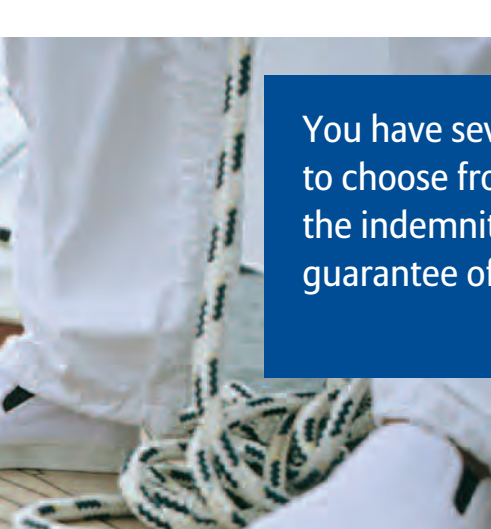

Insured risks.

Basic Insurance.

- Compulsory third-party liability according to Royal Decree 607/1999.
- Legal and bail assistance.

You have several options to choose from to pick the indemnity limits in the guarantee of civil liability.

Premier Insurance.

In addition to the risks covered in the **Basic Insurance** (compulsory third-party liability, legal and bail assistance), our **Premier Insurance** gives you the option of underwriting the following risks:

Important.

It is compulsory to contract a minimum of one of these risks.

- Voluntary third-party liability with two insured sum options.
- Damage claims and indemnity advances.
- Personal accidents of the passengers.
- Refund of sea towing expenses.
- Land assistance.

Plus Insurance.

The **Plus** Insurance package of basic coverage is comprised of compulsory and voluntary third-party liability and legal and bail assistance risks. In addition, you can also underwrite a further series of risks from two different and independent contract structures:

Important.

It is compulsory to have total loss or Institute Yacht Clauses coverage.

- **Plus** policy with Spanish conditions.
 - Total loss + wreckage removal.
 - Theft.
 - Partial damage.
 - Personal effects.
 - Socio-political acts extension.

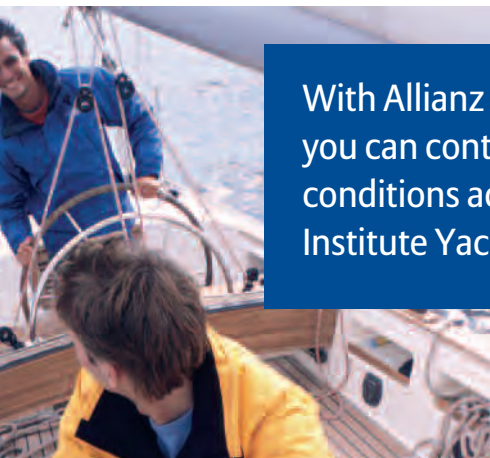

Importante.

Available for boats
with an insured value
greater than 18,000€.

- **Plus** policy with English conditions.
 - Institute Yacht Clauses.
 - Institute War & Strikes Yachts (coverage extension for strike and war risks).

With Allianz Embarcaciones
you can contract English
conditions according to the
Institute Yacht Clauses.

Deductibles.

The insured party can choose between several deductible options.

With **Plus Insurance**, the insured party can choose between several deductible limits as outlined below:

No deductible.
0.25% of the insured value.
0.50% of the insured value.
1.00% of the insured value.

Partial damages are paid for at the new replacement value and do not depend on the age of the vessel.

Sum insured (Material Damages Coverage)

The values to be insured should match:

- The purchase value of a new vessel, if it's age is less than or equal to 2 years.
- The actual market value, if it is more than 2 years old.

Values to be insured

Hull/motors +
sails +
auxiliary vessel +
accessories.

Our objective is to offer you the product that you really need.

Authorised navigation area.

Allianz Embarcaciones allows you to choose between the following two navigation areas:

- **Inland waters in Spain and Portugal** (reservoirs, rivers, lakes, etc.).
- **Inland waters of the European Union, Switzerland, Andorra, the Mediterranean and up to 200 miles from the Spanish, Portuguese and French coast up to Calais, as well as crossings between the Iberian Peninsula and the Canary Islands.**

Use of the boat.

Allianz Embarcaciones is especially designed for private-use recreational craft.

However Allianz Embarcaciones also provides insurance coverage for vessels destined for any of the following uses:

- Rental with or without crew
- School
- Surveillance and rescue

It can also guarantee the participation of insured boats in national regattas that travel within 12 miles from the coast, as well as those held between the peninsula and the Balearic and Canary Islands.

Allianz Embarcaciones
covers your boat
for numerous
activities and uses.
