## Competitive advantages.

1. **Allianz Seguros** means prestige and this means a quality product adapted to your requirements with the highest quality.
2. Waiting lists, excessive “paperwork” to access tests and specialists, insufficient personalised service... **these will no longer be problems for you.**
3. **Unlimited hospitalisation:** the time that you need, without worrying about additional costs (except psychiatry).
4. **Dental Health** insurance is included without additional cost. **Free** on all Allianz policies.
5. The possibility of **surgery without blood** or blood products is always included.

## Razones para sentirte más seguro.

6. **Tax benefits** for self-employed people and companies.
7. **Allianz collaborates with the best** in the field to offer the highest level of quality: Navarre University Clinic (specialists in serious illnesses), Baviera Clinic (specialists in myopia correction with laser treatment), the best stem cell Family Banks, etc.
8. **Full orientation for the insured party:** telephone customer service 24 hours a day to assist with any administration procedure and respond to any query.
